

IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF NEBRASKA

UNITED STATES OF AMERICA,

Plaintiff,

vs.

ADRIANA GONZALEZ, ILDEFONSO
RIVERA-LEON,

Defendants.

4:22CR3115

ORDER

Defendant Rivera-Leon has moved to continue the pretrial motion deadline and trial date, (Filing No. 25), because Defendant and defense counsel need additional time to fully review the discovery received before deciding if pretrial motions should be filed. The motion is unopposed. Based on the showing set forth in the motion, the court finds the motion should be granted. Accordingly,

IT IS ORDERED:

- 1) Defendant's motion to continue, (Filing No. 25), is granted.
- 2) As to both defendants, pretrial motions and briefs shall be filed on or before November 28, 2022
- 3) The trial of this case is set to commence before the Honorable John M. Gerrard, United States District Judge, in Courtroom 1, United States Courthouse, Lincoln, Nebraska, at 9:00 a.m. on December 27, 2022, or as soon thereafter as the case may be called, for a duration of three (3) trial days. Jury selection will be held at commencement of trial.
- 4) The ends of justice served by granting the motion to continue outweigh the interests of the public and the defendants in a speedy trial, and as to both defendants, the additional time arising as a result of the granting of the motion, the time between today's date and December 27, 2022 shall be deemed excludable time in any computation of time under the requirements of the Speedy Trial Act, because although counsel have been duly diligent, additional time is

needed to adequately prepare this case for trial and failing to grant additional time might result in a miscarriage of justice. 18 U.S.C. § 3161(h)(1), (h)(6) & (h)(7). Failing to timely object to this order as provided under this court's local rules will be deemed a waiver of any right to later claim the time should not have been excluded under the Speedy Trial Act.

October 25, 2022.
